I am a self-taught Software Engineer, who fell in love with coding the moment I solved my first algorithm. I'm a tech knowledge seeker and learned 3 full technology stacks within 3 months, and I've won 1st place in 3 hackathons. I'm currently looking for new opportunities where I can leverage my technical and personal skills.

## TECHNICAL SKILLS

**LANGUAGES:** Javascript(ES6), Python, Swift, Ruby, TypeScript, CSS, HTML

**FRONT END:** React, Angular, jQuery, AJAX, JSON, RESTful APIs, Bootstrap, Materialize

**BACK END:** Node.js, Express, Django, Flask, Rails, AWS, Socket.io, OOP

**DATABASES:** SQL (MySQL, SQLite), NoSQL (MongoDB), Mongoose, Postgres, Django ORM

## WEB DEVELOPMENT PROJECTS

### **SMARTLIST** - Python Hackathon- **First Place Award**

- Help users keep track of their tasks, priorities providing resources(videos, articles, links) to accomplish them.

**Technologies:** Python, Django, jQuery, Materialize, CSS, AWS, MySQL, Google Custom Search, Youtube, and Facebook Login API

**Links:** [https://github.com/SmartBunnyLis/SmartList\\_App](https://github.com/SmartBunnyLis/SmartList_App)

### **ALGWYNEVERE** - iOS Hackathon- **First Place Award**

- A game app; User needs to solve python algorithm challenges. The App uses Youtube API to provide tutorial if the user struggles solving the problems.

**Technologies:** Spritekit, Swift, Xcode, AVFoundation, Youtube API

**Links:** <https://github.com/SmartBunnyLis/algwynevere>

## PROFESSIONAL EXPERIENCE

### **BOOKKEEPER - ClickAway Computer and Verizon Wireless**

Campbell, CA ▪ Jul 2015 - Feb 2016

- Reduce cash discrepancies by managing cash flows efficiently for 8 Verizon stores in the Bay area
- Process accounts payable for 33 Verizon stores; prepare checks and bank deposits
- Solve financial discrepancies by collecting and analyzing accounts information

### **CUSTOMER SERVICE / MARKETING DIRECTOR - Cheryl Burke Dance**

Mountain View, CA ▪ Sept 2014 - Sept 2015

- Apply an efficient numerical tracking of inventory using QuickBooks resulting in an increase of sales productivity by 30%
- Increase New Year's 2015 party tickets sales by 50% by developing and implanting a new marketing strategy

## EDUCATION

### **CODING DOJO - Certificate of Completion - Full Stack Web Developer**

San jose, CA ▪ Sep Jul 2017-Oct 2017

**Graduated as one of the top students in my class, and winner of 2 consecutive hackathons!**

An immersive web development bootcamp specializing in three full stacks: **Python**, **MEAN** and **iOS**. Dedicated over 1000+ hours of coding experience, including the ability to deploy a full website from client to server to database.

### **FOOTHILL COLLEGE - AA- Accounting /Business/Management**

Los Altos, CA ▪ Sep Sept 2012 - Jul 2014

### **SAN SIMON UNIVERSITY Chemical Engineering**

Cochabamba, Bolivia ▪ Mar 2007 - Dec 2011
